#### Overview of the Guarantee

The guarantee (the “**Guarantee**”) shall be issued by EIF (the “**Guarantor**”) in the context of the InnovFin SME Guarantee facility (the “**Facility**”) for the benefit of a [specify relevant Financial Intermediary]. It shall partly cover the credit risk associated with underlying, newly extended loans and/or Finance Leases to SMEs and/or Small Mid-caps included in the guaranteed portfolio (the “**Portfolio**”).

In order to ensure an alignment of interest between the Financial Intermediary and the Facility, eligible Beneficiary Transactions shall be covered by EIF at a guarantee rate of up to 50%.

The Guarantee shall constitute a financial guarantee and shall cover defaulted amounts (relating to unpaid principal and interest) incurred by the Financial Intermediary in respect of each defaulted eligible Beneficiary Transaction.

The origination, due diligence, documentation and servicing of the Beneficiary Transactions shall be performed by the Financial Intermediary in accordance with its standard origination and servicing procedures. Notwithstanding the foregoing, the Financial Intermediaries pursuing the indirect origination via On-Lending Banks may be eligible for the Facility provided they fulfil the following conditions:

- carry out an independent risk assessment of the Beneficiaries and assign internal scoring/rating to the relevant Beneficiaries (subject to, as case may be to a *de minimis* amount as agreed with the EIF);

Eligible Beneficiary Transactions will be automatically covered, by way of submitting inclusion notices on a quarterly basis until the end of the relevant Inclusion Period.

The guarantee fee charged will be fixed and depend on whether the Beneficiary Transaction is an SME Transaction or a Small Mid-cap Transaction.

An EIB global loan can potentially serve as funding along the guarantee provided by EIF under the Facility (please refer to [www.eib.org](http://www.eib.org) for details).

<b>Beneficiary Transaction Restructuring</b>	Means, in respect of a Beneficiary Transaction and unless otherwise specified in the specific terms of the Guarantee Agreement, that the Financial Intermediary (or On-Lending Bank, as applicable), acting in a commercially reasonable manner and in accordance with its standard internal procedures, agrees to the restructuring of such Beneficiary Transaction such that the amount of principal scheduled to be paid, and/or any interest amount due, by the relevant Beneficiary is reduced, in order to improve the collectability of the claims arising from the relevant Beneficiary Transaction.
<b>Payment Demand</b>	Payment Demands shall only be valid if they are: a) relating to the Defaulted Amount incurred by the Financial Intermediary relating to the Beneficiary Transaction(s) included in the Portfolio, such Defaulted Amount having been reported to the EIF by not later than the [•] Report Date following the calendar quarter in which such Defaulted Amount has been incurred; b) sent during a Payment Demand Period.

<b>Latest Beneficiary</b>	Means the earlier of (X) the latest day on which a Beneficiary Transaction included in the Portfolio is scheduled to be repaid by the relevant Beneficiary

**Annex II to the Open Call for Expression of Interest to select financial intermediaries under

<b>Guarantee Fee Amount</b>	The Guarantee Fee Amount will be expressed in the Base Currency and payable by the Financial Intermediary to the EIF, with respect to each Beneficiary Transaction included in the Portfolio, on a quarterly basis, calculated as the sum of the product, for each Beneficiary Transaction, of: a) the appropriate Guarantee Fee Percentage divided by 360; and b) the sum of the outstanding principal amount of a Beneficiary Transaction on each day during the calendar quarter on which Beneficiary Transaction was a Performing Beneficiary Transaction; and c) the Guarantee Rate.  In the case of Beneficiary Transactions other than Revolving Beneficiary Transactions, EIF may agree to the upfront payment of the Guarantee Fee, on the basis of the scheduled repayment profile of each Beneficiary Transaction and of an appropriate discount factor.  The Guarantee Fee is non-refundable. However, if the Financial Intermediary becomes aware that one or more Beneficiary Transactions are non-eligible Transactions and, by not later than the second Report Date following the calendar quarter on which such Beneficiary Transaction(s) were included in the Portfolio, causes such non-eligible Beneficiary Transaction(s) to be removed from the Portfolio, then the EIF shall repay the portion of the Guarantee Fee which relates to such excluded Beneficiary Transaction.
<b>Financial Benefit</b>	Means the basis points reduction of the overall interest rate (through a reduction in the customary risk spread of the Beneficiary Transaction) charged by the Financial Intermediary (or On-Lending Bank, as applicable) to the Beneficiary under the Beneficiary Transaction included in the Portfolio.
