1. The Business Development Services Pilot

One of the key objectives of the EaSI programme is to stimulate the financial and social inclusion of borrowers wishing to set-up or develop their micro-enterprises and who may have limited or no access to the conventional credit market. To this end, under the EaSI Microfinance Guarantee, the offering of non-financial support in the form of business development services ("BDS") as a complement to the microloan disbursed to micro-borrowers and micro-enterprises, is an important requirement for selected intermediaries.

As part of the EaSI programme, the EU has launched a EUR 1 million pilot, the Business Development Services Pilot (the “BDS Pilot” or the “Pilot”), to further strengthen the provision of BDS to refugees and migrants and therefore contribute to their financial and social inclusion. The objective is to provide partial coverage for the costs incurred by intermediaries when providing such services, with the aim to boost entrepreneurship amongst these vulnerable groups that are often confronted with a challenging environment when setting up and developing a business in a different country than their country of origin (language barriers, administrative burden, lack of knowledge of local legislation, etc.).

2. Application process

The BDS Pilot will take the form of a new feature embedded within the existing EaSI Microfinance Guarantee for which the Call was launched in June 2015 and subsequently amended on 20/12/2018.

The Pilot is addressed and restricted to interested parties that have entered already into an agreement with the EIF under the EaSI Microfinance Guarantee (“Existing Financial Intermediaries”) or that may qualify to become Financial Intermediaries (“New Applicants”) under the EaSI Microfinance Guarantee and wish to also submit an application in accordance with the parameters set out in the Call.

Existing Financial Intermediaries can directly express their interest in the BDS Pilot within the existing Guarantee Agreement by sending an email to EaSI@eif.org.

New Applicants shall apply to the Call in accordance with the procedures set out in section 6 of the Call, specifying their interest in the Pilot.

During the entire selection process for the purpose of the BDS Pilot, EIF has full discretion to consider applicants or not and no applicant has any claim or other right or may expect to be ultimately selected for the purpose of the BDS Pilot. Any negotiation of terms and conditions by no means entails an obligation for EIF to enter into any agreement with an applicant.

EIF will communicate the outcome of the selection to each applicant via e-mail.

The deadline for receiving application for the BDS Pilot is 30 June 2021, provided that EIF may, in agreement with the EU, determine that the deadline will end on a different date depending, inter alia, on the availability of the budgetary resources for the BDS Pilot or any amendment to the EaSI programme. Any change in the deadline will be announced officially in the section dedicated to the EaSI Guarantee on the EIF’s website.
