Appendix 2 to EXPRESSION OF INTEREST

RESEARCH PLAN

Applicants are asked to provide an outline research proposal (“Research Plan”). The Research Plan shall provide concise information on the following items:

Research team

- Academic research team profile: current composition of the team, detailing who would be full-time dedicated to the study and who would be part- time and their time allocation per task;
- Relevant team members’ CVs (outlining main academic, professional and other relevant experience particularly detailing policy assessment);
- Description of measures proposed to deal with potential conflicts of interest;

Resources, Timeline and Collaboration

- Detailed description of the costs and use of funds for the project;
- Timeline of the research,
- Description of the types of collaboration the applicant deems necessary to complete the research.

There is no set expectation on the document’s length, but the Applicants are encouraged to be concise.
