Reference number: Call for EoI - Greek ESIF FoF 2016/01

Introduction

As part of the Operational Programme Competitiveness, Entrepreneurship and Innovation 2014-2020 (hereinafter, “OP”), with the purpose of tackling the market failure identified by the ex-ante assessment carried out by the Hellenic Republic (“MS”), (“Ex-ante Assessment”) the Government of the Hellenic Republic, represented by the Ministry of Economy, Development and Tourism of the Hellenic Republic, has agreed to dedicate resources to the implementation of a fund-of-funds with EIF, hereinafter Greek ESIF FoF, in accordance with Article 38 (4)(b)(i) of the Common Provision Regulation (“CPR”) and in accordance with the provisions of a funding agreement entered into on 6 December 2016 between the Government of the Hellenic Republic and EIF (“Funding Agreement”).

Relevant rules for implementing the Financial Instruments (as defined) are primarily stipulated in the CPR, the Delegated Act, the Implementing Regulation and the ERDF Regulation (respectively as defined below) and applicable Greek law and regulations.

This Call for Expression of Interest is addressed to bodies or firms, whether public or private, which are interested in receiving resources out of the Greek ESIF FoF, as Financial Intermediaries (as defined) for the implementation of the Technology Transfer Fund(s) and Acceleration Fund(s), Early Stage Funds and Growth Funds. Such activities shall be carried out in accordance with the contractual agreements to be entered into by the EIF and the selected Financial Intermediaries (“Operational Agreement(s)”).

The co-investment by EIF will be made directly into each fund. It is envisaged that other investors shall also co-invest alongside the Greek ESIF FoF and EIF, this resulting in a Greek equity investment platform that would allow an accelerated fundraising by FIs in order for them to achieve optimal fund size levels. The Greek equity investment platform shall be named EquiFund.

Interested Financial Intermediaries should express their interest by completing and submitting an Expression of Interest (as defined), a template of which is attached hereto, the manner provided in the call and meeting the conditions.

7. Selection process

Financial Intermediaries shall be selected on the basis of EIF’s policies, rules, procedures and statutes and in conformity with best practices with an open, transparent, proportionate, non-discriminatory and objective selection procedure, avoiding conflicts of interest, taking into account the criteria and principles underpinning the OP, ensuring the criteria laid down in the CPR and the Delegate Act and Article 140 (1), (2) and (4) of Regulation 966/2012, and the experience and financial capacity of the Applicants.

In addition, the Expressions of Interest will be examined by the EIF on a comparative basis, using professional analysis and judgment, based on the Selection Criteria.

Following the receipt of the Expression of Interest, EIF shall assess the application(s) pursuant to the selection process outlined herewith. This process comprises:

1. Pre-selection;
2. Due diligence;
3. Selection.

Following the pre-selection based on the Expression of Interest EIF shall perform a due diligence of the pre-selected Applicant, as a result of which EIF shall decide whether or not to approve the signature of an Operational Agreement, in accordance with its internal rules and procedures, under the FoF with the pre-selected Applicant.

The contractual negotiation process may not be considered concluded prior to the approval of the signature of the Operational Agreement in accordance with EIF’s internal rules and procedures, and is in any case not concluded until EIF and the Applicants have agreed on all relevant terms and conditions.

Each of these three steps is described in more detail below from section 7.1 to section 7.3.

Applicants who are not initially considered for contractual negotiations may, subject to the EIF’s discretion, be included on a reserve list, which unless cancelled or extended in writing by EIF shall be valid up to 31 December 2022, following notification of inclusion in the reserve list (hereinafter, “Reserve List”).

In any phase of the selection process before entering into an Operational Agreement with an Applicant, EIF reserves full discretion to consider or not Applicants (and participating entities, in case of joint Expressions of Interest), and no Applicant or participating entity may have any claim or other right or may expect to be ultimately selected as Financial Intermediary. The negotiation
of terms and conditions of the Operational Agreement does not entail any obligation for EIF to enter into such Operational Agreement with the relevant Applicants.

EIF will send a rejection notice to Applicants who’s Expression of Interest was rejected during any stage of the selection process. EIF may, but shall not be obliged to provide reasons of such rejection.

Those Applicants, whose Expression of Interest is rejected, shall have the right to submit a written complaint about selection process by e-mail and registered mail or professional courier service, to the same address used for the submission of the Expressions of Interest above, within thirty (30) days of receipt of the rejection notice. Any complaints will be dealt within the framework and in accordance with the EIB Group complaints policy (for further information visit http://www.eib.org/about/accountability/complaints/index.htm).

7.1 Pre-selection
Expressions of Interest will be assessed by the EIF for pre-selection on a competitive basis. When assessing the Expressions of Interest, EIF will use its professional analysis and judgment. The pre-selection comprises:
1. Pre-selection stage 1: Eligibility assessment of the Expressions of Interest;

7.1.1 Eligibility assessment of the Expressions of Interest
EIF will assess whether the Expressions of Interest for the Financial Instrument have been prepared in accordance with the provisions of this Call and comply with Eligibility Criteria. The Expressions of Interest that do not comply with the Eligibility Criteria will be rejected. Financial Intermediaries, whose application is rejected because of non-compliance with any of the elements reflected in the Declaration of Honour (Appendix 4 to the Expression of Interest), may not present themselves for consideration in subsequent Calls for Expression of Interest unless it is specifically evidenced that the reason for the exclusion no longer exists.

7.1.2 Quality assessment of the Expressions of Interest
After completing assessment of the Eligibility Criteria, and after having obtained any additional information or clarifications from Applicants, if and as needed, the EIF will perform the quality assessment of the Expressions of Interest according to the Quality Assessment Criteria. The assessment of Expressions of Interest at this stage will be conducted under competitive terms.

7.2. Due diligence
Top-ranked pre-selected Expressions of Interest will be followed up with the due diligence process, carried out in accordance with the EIF’s internal rules and procedures, where financial and operational matters relating to the financial instrument implementation shall be analysed in more detail.

The aim of the due diligence is to assess, inter alia, the ability to generate a qualitative deal flow, undertake an appropriate and relevant investment/divestment strategy, the commitment of the Applicant, the experience, etc., systems and ability to comply with the reporting requirements. The due diligence normally comprises an on-site visit, which shall be at the discretion of the EIF. The due diligence process does not comprise legal negotiations.

7.3. Selection
Based on the pre-selection outcome and the outcome obtained following the due diligence, the EIF will decide either:
1) To select the Applicant, by way of EIF Board approval;
2) To put the Applicant into a Reserve List;
3) To reject the proposal from the Applicant.

Subject to satisfactory outcome of the due diligence, EIF may request its Board approval to enter into Operational Agreement with the selected Financial Intermediary. EIF has no obligation to enter into an Operational Agreement with the selected Applicant.

If an Applicant is selected, the EIF can agree with an Operational Agreement, subject to (i) successful commercial and legal negotiations (ii) the EIF internal approval of the transaction according to EIF own rules and procedures.

8. Publishing of information on the Financial Intermediaries

EIF may publish, from time to time, on its website a list of Financial Intermediaries, which may include the name and the registered addresses of the Financial Intermediaries, types of the contract entered into and the FoF contribution. EIF may also publish a list of Final Recipients (SMEs) benefiting from the assistance by the Applicant as provided for in the Operational Agreement(s).

A Financial Intermediary may, prior to receiving financial support under the instrument, notify EIF in writing detailing its inability to comply with and/or be subject to the publication requirement if it risks harming its commercial interests or risks threatening the rights and freedoms of individuals concerned as protected by the Charter of Fundamental Rights of the European Union. In addition, such publication shall not be required if it would be illegal under the applicable laws and regulations. However, such publication shall be determined by applicable laws, regulations and Operational Programmes.
