Call for Expression of Interest to select a Financial Intermediary under the Business Angels’ Co-Investment Equity Instrument in Greece

Reference number: Call for EoI - No. JER-001/2020/01

Introduction

The objective of this Call for Expression of Interest (the “Call”), launched by the European Investment Fund (“EIF”), is to select an eligible financial institution to become a Financial Intermediary under the Business Angels’ Co-Investment Equity Instrument in Greece (the “Fund”), as further described below. All applications submitted to the EIF under the Fund should conform to the Call.

The present Call concerns the investment in a Business Angels’ Co-Investment Equity Instrument in Greece to be made by the EIF under the JEREMIE Holding Fund (hereinafter, “JHF”) with the proceeds from JEREMIE operations. The JEREMIE initiative is a framework providing a series of coherent actions to promote increased access to finance for micro, small and medium-sized enterprises. In Greece, the JEREMIE initiative is organised through the JHF, managed by EIF, in accordance with the amended and restated Funding Agreement dated on 07/09/2020. Following the initial implementation period, the JHF is in its legacy period and is receiving returned resources from operations, known as “Proceeds of Operations” or “Reflows”, which may be used for setting up further financial instruments.

This Call for Expression of Interest is addressed to bodies or firms, whether public or private, which are interested in receiving resources as Financial Intermediaries (as defined) for the implementation of the Fund. Such activities shall be carried out in accordance with the contractual agreement to be entered into by the EIF and the selected Financial Intermediary (“Operational Agreement”).

Interested Financial Intermediaries should express their interest by completing and submitting an Expression of Interest (as defined), a template of which is attached hereto, the manner provided in the call and meeting the conditions.

2. Business Angels’ Co-Investment Equity Instrument in Greece ("the Fund")

According to the amended and restated JEREMIE Greece Funding Agreement, the European Investment Fund was appointed by the MS to act as its agent to actively manage and deploy the reflows made available under the JHF of Greece.

As per the relevant regulatory framework\(^1\), gains generated by payments from OPs to financial engineering instruments supporting repayable investments for certain types of actions and final recipients, such as JEREMIE reflows, must be used for the benefit of the same type of actions, constitute national budget and are no longer subject to EU Structural Funds requirements.

3. Eligible Financial Intermediaries

The EIF shall select one Financial Intermediary to implement the Fund in accordance with the procedure described below. The selection of the Financial Intermediary shall be made based on the funding available from time to time, and shall be based on the Selection Criteria.

Financial Intermediaries shall comply with relevant standards and applicable legislation on the prevention of money laundering, the fight against terrorism and tax fraud to which they may be subject. Furthermore, in the case of cross-border Financial Instruments where the relevant support is not reserved for operations, projects or activities implemented in the same jurisdiction where the concerned Financial Intermediary is incorporated, Financial Intermediaries (and sub-intermediaries) shall not be incorporated in Non-Cooperative Jurisdictions. Each applying Financial Intermediary may inquire about the status of a particular jurisdiction with EIF.

Financial Intermediaries shall acknowledge the EIF Anti-Fraud Policy (http://www.eif.org/attachments/publications/about/Anti_Fraud_Policy.pdf) which sets out the policy of EIF for preventing and deterring corruption, fraud, collusion, coercion, obstruction, money laundering and terrorist financing and shall take appropriate measures (as may be further specified in the Operational Agreements) to facilitate implementation of such policy.

4. Description of the activities expected from the selected Financial Intermediaries

It is planned to allocate out of the JEREMIE reflows an amount of up to EUR 20 million to the Financial Instrument. Financial Intermediaries may express their interest for a contribution of up to the full amount indicated to this particular Financial Instrument.

Also, during implementation process of the particular Financial Instrument, EIF may, at its sole discretion, decide to propose to increase / decrease its commitment to the Financial Intermediary or consider any Financial Intermediary for the Financial Instrument(s) under the Call. 7. Selection Process

Financial Intermediaries shall be selected on the basis of EIF’s policies, rules, procedures and statutes and in conformity with best practices with an open, transparent, proportionate, non-discriminatory and objective selection procedure, avoiding conflicts of interest, taking into account the selection criteria and principles, and the experience and financial capacity of the Applicants.

In addition, the Expressions of Interest will be examined by the EIF on a comparative basis, using professional analysis and judgment, based on the Selection Criteria.

Following the receipt of the Expression of Interest, EIF shall assess the application(s) pursuant to the selection process outlined herewith. This process comprises:

1. Pre-selection;

2. Due diligence;

3. Selection.

Following the pre-selection based on the Expression of Interest EIF shall perform a due diligence of the pre-selected Applicant, as a result of which EIF shall decide whether or not to approve the signature of an Operational Agreement, in accordance with its internal rules and procedures with the pre-selected Applicant.
The contractual negotiation process may not be considered concluded prior to the approval of the signature of the Operational Agreement in accordance with EIF’s internal rules and procedures, and is in any case not concluded until EIF and the Applicants have agreed on all relevant terms and conditions.

Each of these three steps is described in more detail below from section 7.1 to section 7.3.

Applicants who are not initially considered for contractual negotiations may, subject to the EIF’s discretion, be included on a reserve list, which unless cancelled or extended in writing by EIF shall be valid up to 31 December 2022, following notification of inclusion in the reserve list (hereinafter, “Reserve List”).

In any phase of the selection process before entering into an Operational Agreement with an Applicant, EIF reserves full discretion to consider or not Applicants (and participating entities, in case of joint Expressions of Interest), and no Applicant or participating entity may have any claim or other right or may expect to be ultimately selected as Financial Intermediary. The negotiation of terms and conditions of the Operational Agreement does not entail any obligation for EIF to enter into such Operational Agreement with the relevant Applicants.

The applicants will be selected in due consideration of the general principles of transparency, equal treatment and non-discrimination, in compliance with EIF’s policies, rules, procedures and statute and in conformity with best business and market practices.

Those Applicants, whose Expression of Interest is rejected, shall have the right to submit a written complaint about the selection process by e-mail, registered mail or professional courier service, to the same address used for the submission of the Expressions of Interest above, within the timeline provisioned within the relevant EIB Group complaints policy. Any complaints will be dealt within the framework and in accordance with the EIB Group complaints policy (for further information visit [https://www.eib.org/en/publications/complaints-mechanism-policy](https://www.eib.org/en/publications/complaints-mechanism-policy)).

Any personal data provided by the Applicants shall be processed by EIF in compliance with its Data Protection Statement (EIF statement on the processing operations of Applicants and Financial Intermediaries’ personal data, as published on the EIF’s website) and the Regulation (EU) 2018/1725 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies offices and agencies and on the free movement of such data, as amended from time to time ([https://www.eif.org/attachments/processing-of-final-recipients-personal-data.pdf](https://www.eif.org/attachments/processing-of-final-recipients-personal-data.pdf)).

The EIF reserves the right at any time to request written clarification or the submission of additional or supplementary written information in respect of any application, verify any applicant or with a third party any information set out in any submission.
7.1. Pre-selection

Expressions of Interest will be assessed by the EIF for pre-selection on a comparative basis. When assessing the Expressions of Interest, EIF will use its professional analysis and judgment.

The pre-selection comprises:

1. Pre-selection stage 1: Eligibility assessment of the Expressions of Interest;

7.1.1. Eligibility assessment of the Expressions of Interest

EIF will assess whether the Expressions of Interest for the Financial Instrument have been prepared in accordance with the provisions of this Call and comply with Eligibility Criteria.

The Expressions of Interest that do not comply with the Eligibility Criteria will be rejected. Financial Intermediaries, whose application is rejected because of non-compliance with any of the elements reflected in the Declaration of Honour (Appendix 4 to the Expression of Interest), may not present themselves for consideration in subsequent Calls for Expression of Interest unless it is specifically evidenced that the reason for the exclusion no longer exists.

7.1.2. Quality assessment of the Expressions of Interest

After completing assessment of the Eligibility Criteria, and after having obtained any additional information or clarifications from Applicants, if and as needed, the EIF will perform the quality assessment of the Expressions of Interest according to the Quality Assessment Criteria. The assessment of Expressions of Interest at this stage will be conducted under competitive terms.

7.2. Due diligence

Top-ranked pre-selected Expressions of Interest will be followed up with the due diligence process, carried out in accordance with the EIF’s internal rules and procedures, where financial and operational matters relating to the financial instrument implementation shall be analysed in more detail.

The aim of the due diligence is to assess, inter alia, the ability to generate a qualitative deal flow, undertake an appropriate and relevant investment/divestment strategy, the commitment of the Applicant, the experience, etc., systems and ability to comply with the reporting requirements. The due diligence normally comprises an on-site visit, which shall be at the discretion of the EIF. The due diligence process does not comprise legal negotiations.
7.3. Selection

Based on the pre-selection outcome and the outcome obtained following the due diligence, the EIF will decide either:

1) To select the Applicant, by way of EIF Board approval;

2) To put the Applicant into a Reserve List;

3) To reject the proposal from the Applicant.

Subject to satisfactory outcome of the due diligence, EIF may request its Board approval to enter into Operational Agreement with the selected Financial Intermediary. EIF has no obligation to enter into an Operational Agreement with the selected Applicant.

If an Applicant is selected, the EIF can agree with an Operational Agreement, subject to (i) successful commercial and legal negotiations (ii) the EIF internal approval of the transaction according to EIF own rules and procedures.

8. Publishing of information on the Financial Intermediaries

EIF may publish, from time to time, on its website a list of Financial Intermediaries, which may include the name and the registered addresses of the Financial Intermediaries, types of the contract entered into and the EIF contribution. EIF may also publish a list of Final Recipients (SMEs) benefiting from the assistance by the Applicant as provided for in the Operational Agreement(s).

A Financial Intermediary may, prior to receiving financial support under the instrument, notify EIF in writing detailing its inability to comply with and/or be subject to the publication requirement if it risks harming its commercial interests or risks threatening the rights and freedoms of individuals concerned as protected by the Charter of Fundamental Rights of the European Union. In addition, such publication shall not be required if it would be illegal under the applicable laws and regulations. However, such publication shall be determined by applicable laws and regulations.
